

Will Monsanto ties influence nutritionists' stance on GMOs?

The following is an excerpt.

The GMO seed giant Monsanto recently flexed its muscles in Congress, working with a senator to [sneak a friendly rider](#) into an unrelated funding bill. Now it appears to be having its way with the [Academy of Nutrition and Dietetics](#). As the *New York Times* [reports](#), a dietician who'd been working on crafting the group's GMO policy claims she was pushed aside for pointing out her colleagues' links to Monsanto.
