

## Vermont: Legislature wants Monsanto to label its GMOs

*The following is an edited excerpt.*

[Monsanto](#), the often vilified agribusiness corporate giant, is back in the news. First, the [Supreme Court](#) upheld its ownership over its patented gene products, even as that product reproduces. But the [Vermont](#) legislature is trying another tact with a bill that would require Monsanto foods (exempting animal products) containing genetically modified organisms (GMOs) to be labeled as such.
