

Vandana Shiva: “March against Monsanto is a march for freedom”

The following is an edited excerpt.

On May 25, 2013, there will be a worldwide March against Monsanto. In this video, Vandana Shiva speaks about the movement against Monsanto and why it is necessary.

Shiva says, “The march against Monsanto is inspired by the love for freedom and democracy, the love for the Earth, the soil, the seed. And it is our deep love for life on Earth in freedom that makes all of us march against Monsanto and we stand in solidarity with everyone, from the Seed Freedom Movement catalyzed by Navdanya .”
