

## Comedian Dusty Smith gores GMO critics and anti-Monsanto junkies

*The following is an editorial summary.*

Comedian-critic Dusty Smith has released a video titled, provocatively, "I Love Monsanto!" He doesn't actually. But he does hate hysterics and fallacious arguments more than he hates the agribusiness giant. Warning: the video isn't for the swearing-averse. Watch below

Check out more of his videos at [Cult Of Dusty](#).
