## Copyright, Repostings and Reprints—Terms and Conditions

The Genetic Literacy Project is a 501(c)(3) nonprofit organization registered under the name Science Literacy Project. We encourage free and open exchange of information and ideas but ask you to abide by certain terms as a condition of using the information on this site. Your use of this site constitutes your agreement to these terms.

As a user of this site, you agree that:

This agreement may be changed or modified at any time. A notice of changes or modifications will be posted. You agree to review the agreement periodically to keep current on its terms. Your continued use of the site after any change or modification to this agreement constitutes your agreement to any changes or modifications in the terms.

When we collect personal information about users, that information could be shared with advertisers, but only in the aggregate. We will never provide personal information on an individual basis to any third party.

Use of information on this site is at your own risk. There may be delays, omissions, inaccuracies or other errors in posted information, or other problems inherent in journalism and electronic communication. Moreover, as we post some material that is obtained under Fair Use guidelines for educational nonprofits—including but not exhaustive of text, photographs, graphics, audio and video—we do not guarantee copyright status.

We allow reposting of any and all of our original articles but the rights to the graphics and other elements in those stories may be held by a third party; using them as at your legal risk. The site's original text is owned by Science Literacy Project and is protected by copyright, trademark and other intellectual property laws, meaning, among other things:

- The site's content is for your personal, non-commercial use.
- If you copy any material from this site, that copy must be exclusively for your personal non-commercial use and that copy must retain copyright, trademark and other ownership notices contained in the material.
- Any copied material must be identified as sourced from Genetic Literacy Project and accompanied by a hyperlink to the original story.
- Storing or archiving any significant portion of the content or creating a database using the content is prohibited.
- Any other activity or use of this site that is a violation of United States intellectual property laws or international treaties, including but not limited to copying other than on an isolated basis for personal use; modifying the content; and publishing, transmitting, creating derivative works from, transferring, selling or displaying the content of the site, is prohibited.

- You may hyperlink to the GLP so long as the link does not state or imply any sponsorship or endorsement of your site by the GLP. Any linking which results in display of this site's content surrounded by or included with content of another site, organization or person is prohibited.
- You may not use the content in any way not specifically provided for in this agreement without the specific written consent of the GLP.
- You acknowledge that communication using GLP postings often occurs in real time or is posted in or on one of many forums or message boards. As such, the GLP cannot and does not intend to attempt the impossible task of screening communications in advance. You therefore acknowledge that the GLP shall not assume or have any responsibility by action or inaction with respect to content posted or provided by users. You are solely responsible for anything you post in a chat rooms, forum, guest books or other public posting areas.
- You will use the GLP's postings only for lawful purposes and will not post or transmit any obscene, threatening, abusive, or false and defamatory material.
- The GLP reserves the right to deny access to anyone who violates posting rules or any part of this agreement.
- The GLP reserves the right to delete, move or edit any posting in its sole discretion and reserves the right to deny access to you and to anyone accessing this service under your registration.
- You agree to defend, indemnify and hold harmless the Science Literacy Project, Genetic Literacy Project, employees, contractors, officers, directors, and telecommunications providers from all liability, claims, and expenses, including attorneys' fees, that arise from the breach of any of the terms of use of the site or in connection with your use of this site. tampabay.com reserves the right to assume exclusive defense and control of any matter otherwise subject to indemnification under this agreement.

This agreement is governed by the laws of the State of Ohio. The venue for any legal action that concerns this agreement shall be Hamilton County, Ohio.
